I think that's all we really have on our agenda. The rest of the issues are theirs, right?

Hi Pam,

I will give it thought tomorrow about the agenda for the meeting with CRW. What is your thoughts. I know they want to talk about how dilapidate their wastewater system is. I want to talk about 2 things 1, when CRW have early action projects that that reduce CSO overflows and 2, when they will submit an acceptable LTCP.

Steve – I just saw some notes to Karen from Joan. Can you work on a draft agenda that we can talk with Rick about on Monday for our brainstorming? We will need to get something up to Karen by COB on Monday.

Thanks.
